STIPULATION AND AGREEMENT OF SETTLEMENT

Colin Higgins Productions Ltd., Indigo Inc., and Lynn Unger Children’s Trust (“Plaintiffs”), on behalf of themselves and the Settlement Class,¹ and Universal City Studios LLC (“Universal”) (collectively, “the Parties”), by and through their counsel, hereby stipulate to the settlement and release of the claims asserted by Plaintiffs and the Settlement Class against Universal in *Colin Higgins Productions, Ltd., et al. v. Universal City Studios LLC*, Los Angeles Superior Court Case Number BC499180 (the “Action”), upon and subject to the terms and conditions of this Amended Stipulation and Agreement of Settlement (the “Stipulation”) set forth below, as of July 22, 2015, subject to the approval of the Court.

RECITALS

WHEREAS, on January 16, 2013, Colin Higgins Productions Ltd., the loan-out company for Colin Higgins, filed a putative class action complaint against Universal in the Action in the Superior Court for the State of California, County of Los Angeles (the “Court”);

WHEREAS, the complaint was filed on behalf of a putative class of persons who entered into Profit Participation Contracts and who alleged breaches of those Profit Participation Contracts with respect to the calculation of Profit Participation relating to Home Video Revenue and Electronic Sell-Through Revenue;

WHEREAS, on December 17, 2013, Plaintiffs filed a first amended complaint in the Action adding Indigo, Inc. and the Lynn Unger Children’s Trust, the loan-out companies for Richard Pryor and Peter Sellers, respectively, as named plaintiffs, which complaint was followed by the filing of a second amended complaint filed by the same Plaintiffs on June 26, 2014 (the “Second Amended Complaint”);

WHEREAS, on January 16, 2014, Universal filed in the Action an answer to the first amended complaint that generally denied the allegations in the first amended complaint and asserted certain affirmative defenses, which answer was deemed operative as to the Second Amended Complaint by stipulation between the Parties and order thereon dated June 13, 2014;

¹ Capitalized terms, if not defined elsewhere, are defined in the “Definitions” section below.

1 WHEREAS, the parties have participated in multiple in-person and telephonic mediation
2 sessions with the Honorable Louis Meisinger (Ret.) of ADR Services, Inc. as well as numerous
3 phone conferences and in-person meetings of counsel;

4 WHEREAS, the Parties have exchanged certain documents, calculations and analyses
5 relating to the issues raised in the Second Amended Complaint;

6 WHEREAS, Universal denies all allegations of wrongdoing, fault, or liability or that it has
7 acted improperly in any way; believes that the Second Amended Complaint in this Action lacks
8 merit; would have continued to resist vigorously Plaintiffs' claims and contentions and would
9 have continued to assert its defenses thereto had this Stipulation not been reached; and has entered
10 into this Stipulation to put the claims to rest finally and forever solely for the purpose of avoiding
11 prolonged and expensive litigation, without acknowledging in any way any fault, wrongdoing or
12 liability whatsoever; and

13 WHEREAS, Plaintiffs and their counsel believe that the claims asserted in the Action are
14 meritorious, but they have considered and weighed the issues involved in establishing the validity
15 of their claims and have concluded that, in light of the uncertainty of the outcome as well as the
16 substantial risks and inevitable delay in proceeding to trial, compared to the benefits being
17 provided hereby, the terms and conditions set forth herein are fair and reasonable and should be
18 submitted to the Court for approval.

19 **NOW THEREFORE**, without any admission or concession on the part of Plaintiffs of
20 any lack of merit of the Action, and without any admission or concession on the part of Universal
21 of any liability or wrongdoing or lack of merit in the defenses, **IT IS HEREBY STIPULATED**
22 **AND AGREED**, by and among the Parties to this Stipulation, through their respective attorneys,
23 subject to approval of the Court, in consideration of the benefits flowing to the Parties hereto from
24 the Settlement, that all Released Claims as against the Released Parties shall be compromised,
25 settled, released and judgment entered, upon and subject to the following terms and conditions.

8 Plaintiffs, do not know of or suspect to exist in their favor at the time of the release of the
9 Released Parties which, if known by them, might have affected their agreement to the Settlement.
10 With respect to Unknown Claims, the Named Plaintiffs shall be deemed to have, and by operation
11 of the settlement of the Action and upon the Effective Date shall have, hereby expressly waived
12 and relinquished, to the fullest extent permitted by law, the benefits of Section 1542 of the
13 California Civil Code (and all similar provisions from any and all jurisdictions), which states:

14 **A general release does not extend to claims which the creditor does not know**
15 **or suspect to exist in his or her favor at the time of executing the release,**
16 **which if known by him or her must have materially affected his or her**
 settlement with the debtor.

17 The Named Plaintiffs and Universal acknowledge, and the Released Parties by operation of
18 law shall be deemed to have acknowledged, that the inclusion of “Unknown Claims” in the
19 definition of Released Claims was specifically bargained for and a key element of the Settlement
20 of which this release is a part.

21 1.35 “Unrecouped Class Member” means a Class Member who, as of December
22 31, 2014, is a Profit Participant on one or more motion pictures that have not realized sufficient

28 Class Profit Participation Contracts for which the person or entity is not recouped.

1 **SETTLEMENT CLASS**

2 2. Definition of Settlement Class. Plaintiffs shall request that the Court certify for
3 settlement purposes only the following Settlement Class: All persons and entities (and their
4 successors-in-interest, assigns, and heirs) that are parties to a Class Profit Participation Contract.
5 Where a person or entity is a party to one or more Profit Participation Contracts that are not Class
6 Profit Participation Contracts and one or more Profit Participation Contracts that are Class Profit
7 Participation Contracts, that person or entity is a member of the Settlement Class only with regard
8 to the Class Profit Participation Contracts and not a part of the Settlement Class with regard to any
9 other Profit Participation Contracts.

10 3. Exclusions from Settlement Class. Excluded from the Settlement Class are:

11 3.1 Universal and any person, trust, firm, corporation or other entity Affiliated
12 with or related to Universal;

13 3.2 Any persons or entities who exclude themselves by submitting a timely
14 Request for Exclusion in accordance with the requirements set forth by the Court.

15 3.3 Persons or entities who have entered into an agreement with Universal or its
16 Affiliates and their predecessors, subsequent to their Class Profit Participation Contract but
17 regarding the same motion picture, that includes express provisions regarding the calculation of
18 the Profit Participant's Profit Participation with regard to Home Video Revenue and/or Electronic
19 Sell-Through Revenue, including but not limited to a settlement agreement, an amendment to the
20 relevant Class Profit Participation Contract, a side letter, or any other writing that sets forth such
21 provisions, and was made prior to the date of the Preliminary Approval Order. Universal shall
22 identify the aforementioned persons or entities to Class Counsel in advance of the filing of the
23 motion for final approval of the settlement.

24 3.4 Other motion picture studios and their Affiliates or predecessors in interest.

25 **DISTRIBUTION OF THE SETTLEMENT FUND**

26 4. The Settlement Fund Payout shall be distributed to Recouped Class Members,
27 without the necessity of filing a claim, as follows:

28 4.1 Retrospective Relief. Each Recouped Class Member shall be entitled to the

1 percentage of the Retrospective Relief Fund equal to the ratio of the total amount of Profit
2 Participation paid or payable to the Recouped Class Member pursuant to one or more Class Profit
3 Participation Contracts through the period ending December 31, 2014, compared to the total
4 amount of Profit Participation paid or payable to all of the Recouped Class Members pursuant to
5 Class Profit Participation Contracts for all periods through the period ending December 31, 2014.

6 4.2 Prospective Relief. Each Recouped Class Member shall be entitled to the
7 percentage of the Prospective Relief Fund equal to the ratio of the total amount of Profit
8 Participation paid or payable to the Recouped Class Member pursuant to one or more Class Profit
9 Participation Contracts for the period from January 1, 2011, through December 31, 2014
10 compared to the total amount of Profit Participation paid or payable to all of the Recouped Class
11 members pursuant to Class Profit Participation Contracts for the same period, with such ratio
12 serving as an estimate of the ratio of future Profit Participation payments.

13 4.3 Payment. The Settlement Administrator will be responsible for the
14 calculation and payment of the amounts due Recouped Class Members from the Settlement Fund
15 based upon the Settlement Class Information received from Universal. Within sixty (60) days
16 after the Effective Date, the Settlement Administrator shall mail to each Recouped Class Member
17 a check with their share of the Retrospective Relief Fund and the Prospective Relief Fund.
18 Uncashed and/or undeposited checks will be considered stale after 180 days and cancelled. A
19 second distribution to Recouped Class members who negotiated their first check may occur if
20 Class Counsel determines that there are sufficient funds to justify a second distribution in light of
21 the administrative cost and amount of the proposed distribution to the Recouped Class members.
22 In such event, the Settlement Administrator shall make a second pro rata distribution to the
23 Recouped Class Members using the methodology as set forth in section 4.1. If the total amount of
24 the stale checks does not justify the cost of a second distribution, the remaining funds in the
25 Accounting Relief Fund after cancellation of outstanding checks shall be donated via *cy pres* to
26 the Motion Picture & Television Fund.

27 ACCOUNTING RELIEF

28 5. Calculation of Accounting Relief. All Unrecouped Class Members shall be entitled

1 to Accounting Relief from the Accounting Relief Fund, without the necessity of filing a claim, as
2 follows:

3 5.1 Calculation of Accounting Relief. Universal shall apply an adjustment on
4 account of each motion picture associated with a Class Profit Participation Contract to which an
5 Unrecouped Class Member is a party. The accounting adjustment shall be that motion picture's
6 share of the Accounting Relief Fund determined by the ratio of the total amount of Home Video
7 Revenue and Electronic Sell-Through Revenue derived by Universal through December 31, 2014,
8 for that motion picture compared to the total amount of Home Video Revenue and Electronic Sell-
9 Through Revenue derived by Universal through December 31, 2014, for all of the motion pictures
10 receiving an accounting adjustment. Universal will be responsible for the calculation of the
11 accounting credits due and for applying the accounting credits within its profit participation
12 accounting database.

13 5.2 The accounting adjustment shall only be applied for the benefit of the
14 Unrecouped Class Members. Any person or entity that is a Recouped Class Member or not a
15 Class Member in regard to a motion picture will not receive the benefit of the accounting
16 adjustment.

17 **JUDGMENT AND RELEASE**

18 6. Final Judgment. Subject to Court approval, the Parties to this Stipulation agree to
19 entry of final judgment in this Action, and to providing for the releases herein.

20 7. Release. Upon the Effective Date, the Plaintiffs, the Settlement Class, and each
21 Class Member on behalf of themselves, their heirs, executors, administrators, attorneys, successors
22 and assigns, and any persons they represent, shall be deemed to have, and by entry of judgment of
23 the Action shall have, fully, finally and forever released, relinquished, and discharged the
24 Released Parties with respect to each and every Released Claim and shall forever be enjoined from
25 prosecuting any of the Released Claims with respect to each and every Released Party and
26 covenant not to sue any of the Released Parties with respect to any of the Released Claims.
27 Except as expressly provided in this Stipulation, nothing shall be deemed to terminate, modify or
28 cancel any provision of any Class Member's Profit Participation Contract, each of which shall

1 otherwise continue in full force and effect in accordance with its terms. The release of the
2 Released Claims pursuant to this Settlement is without prejudice to any other rights not involving
3 those claims.

4 8. Continuing Accounting Practice. Plaintiffs acknowledge and agree that Universal
5 will continue to account to each Class Member for Home Video Revenue and Electronic Sell-
6 Through Revenue as it has done and currently does on the basis of 20% of such revenue.
7 Plaintiffs hereby waive any claims related to this accounting practice for Home Video Revenue
8 and Electronic Sell-Through Revenue in the calculation of Profit Participation for Class Members
9 in both the past and the future.

10 **PRELIMINARY APPROVAL AND NOTICE**

11 9. Preliminary Approval Order. As soon as practicable, Plaintiffs shall move the
12 Court for entry of the Preliminary Approval Order. Universal agrees, solely for purposes of
13 effectuating the Settlement, not to oppose certification of the Settlement Class. Universal does not
14 waive and expressly reserves the right to contest class action treatment of Plaintiffs' claims in the
15 Action if the Effective Date fails to occur for any reason including, without limitation, any
16 possible termination of this Settlement. If the Effective Date fails to occur for any reason, (i) the
17 certification of the Settlement Class shall be deemed null and void, and each Party shall retain all
18 of its respective rights as they existed prior to execution of this Stipulation; (ii) any findings or
19 stipulations regarding certification of the Settlement Class will be automatically vacated upon
20 notice to the Court of this Stipulation's termination or disapproval and the Action may proceed as
21 though no certification of the Settlement Class had occurred; (iii) Plaintiffs shall not raise or rely
22 upon any such findings, stipulations, or certification relating to the Settlement Class in connection
23 with any subsequent request for class certification; and (iv) neither this Stipulation, nor any of its
24 accompanying exhibits or any orders entered by the Court in connection with this Stipulation,
25 shall be admissible or used for any purpose.

26 10. Notice.

27 10.1 Settlement Class Member Information Exchange. Within ten (10) days
28 after the Court's issuance of the Preliminary Approval Order, Universal shall provide the

1 Settlement Class Information to the Settlement Administrator.

2 10.2 Notice by Mail. Within thirty (30) days after the Court’s issuance of the
3 Preliminary Approval Order, the Settlement Administrator shall mail the Notice to each Class
4 Member. *See*, Exhibit 1 attached hereto.

5 10.3 Publication Notice. Within thirty (30) days after the Court’s approval of the
6 Settlement, the Settlement Administrator shall also cause the Publication Notice, substantially in
7 the form attached hereto as Exhibit 2, to appear once in the *Variety* (in one-half page size) and
8 once in *The Hollywood Reporter* (in one-third page size). The Settlement Administrator shall
9 cause the Publication Notice, substantially in the form attached hereto as Exhibit 2, in the format
10 of an E-Newsletter, to be disseminated to subscribers of *Variety*, *The Hollywood Reporter* and *The*
11 *Wrap*. The Settlement Administrator may also cause online advertising in Facebook, Twitter and
12 LinkedIn. The Settlement Administrator shall issue a press release in the form of the Publication
13 Notice to be disseminated through the major media outlets. Nothing in this Agreement shall
14 prohibit Plaintiffs and Class Counsel from performing their duties and/or taking additional steps to
15 maximize notice to the Class.

16 10.4 Settlement Website. The Settlement Administrator shall create a website
17 (“Settlement Website”) with information about the Settlement. The Settlement Website shall
18 include copies of the relevant pleadings and provide updates to the Class Members regarding the
19 status of the Action.

20 10.5 Costs and Fees. All costs and fees associated with Notice shall be deducted
21 from the Settlement Fund.

22 **REQUESTS FOR EXCLUSION AND OPT-OUT TERMINATION RIGHT**

23 11. Requests for Exclusion. Class Members who do not wish to participate in the
24 Settlement shall submit a Request for Exclusion within the deadline established by the Court.

25 12. Termination Option. Universal may terminate the Settlement if, ten (10) days after
26 the deadline for receiving Requests for Exclusion, it determines that either the number of Class
27 Members who have submitted Requests for Exclusion or the total Profit Participation paid to Class
28 Members who have submitted Requests for Exclusion exceeds levels set forth in the Confidential

1 Supplemental Agreement (the “Opt Out Threshold”). Requests for Exclusion from persons or
2 entities who do not meet the Settlement Class definition do not count toward the Opt-Out
3 Threshold. The Parties shall seek to keep the Opt-Out Threshold confidential. In the event that
4 the Court directs that the Confidential Supplemental Agreement be filed prior to the deadline for
5 submitting Requests for Exclusion, no party shall have any right to any relief by reason of such
6 disclosure. In the event of a termination of this Settlement pursuant to the Confidential
7 Supplemental Agreement: (1) this Stipulation shall become null and void; and (2) Universal shall
8 pay all costs incurred by the Settlement Administrator arising out of the Stipulation.

9 **CONFIRMATORY DISCOVERY**

10 13. Confirmatory Discovery. Class Counsel may, at their own expense, conduct
11 confirmatory discovery as outlined in the Parties’ Confidential Supplemental Agreement.

12 **EFFECTIVE DATE OF SETTLEMENT, WAIVER, AND TERMINATION**

13 14. Effective Date of Settlement. The Effective Date of Settlement shall be the date
14 when all the following have occurred:

- 15 (a) entry of the Preliminary Approval Order by the Court;
16 (b) final approval by the Court of the Settlement, following notice to the
17 Settlement Class and a hearing;
18 (c) entry of judgment; and
19 (d) the expiration of any time for appeal or review, or, if any appeal is filed and
20 not dismissed, after the final approval order is upheld on appeal in all material respects and is no
21 longer subject to review upon appeal or by writ of certiorari.

22 15. Termination after Court Disapproval. In addition to Universal’s rights under
23 Paragraph 12, Universal or Plaintiffs shall have the right to terminate the Settlement and this
24 Stipulation by providing written notice of their election to do so (“Termination Notice”) to counsel
25 for the other party hereto within thirty days of (a) the Court’s declining to enter the Preliminary
26 Approval Order; or (b) the Court’s declining to approve the Settlement embodied in this
27 Stipulation, or any material part of it.

28 16. No Prejudice in Event of Termination. Except as otherwise provided herein, in the

1 event the Settlement is terminated or the Effective Date fails to occur, then the Settlement shall be
2 without prejudice and none of its terms shall be effective or enforceable; the Parties to this
3 Stipulation shall be deemed to have reverted to their respective status in the Action as of
4 December 30, 2014; except as otherwise expressly provided, the Parties shall proceed in all
5 respects as if this Stipulation and any related orders had not been entered. In the event the
6 Settlement is terminated or modified in any material respect, Universal shall be deemed to have
7 retained all rights to object to the maintenance of the Action as a class action and shall further be
8 deemed not to have waived, modified, or be estopped from asserting any additional defenses
9 available to it.

10 **ADMINISTRATION OF THE SETTLEMENT**

11 17. Settlement Administrator. The Parties shall engage a third party Settlement
12 Administrator to carry out the terms of the Settlement as provided herein. Any fees or expenses
13 incurred through the use of a third party Settlement Administrator will be deducted from the
14 Settlement Fund as administrative expenses.

15 18. Deposit of Settlement Fund. Within ten (10) business days after the Effective Date,
16 Universal shall pay the Settlement Fund to the Settlement Administrator for disbursement as
17 provided herein.

18 **ATTORNEYS' FEES, EXPENSES, AND ENHANCEMENT AWARD**

19 19. Attorneys' Fees. Class Counsel will apply to the Court for an award of attorneys'
20 fees in an amount not to exceed one-third of the \$13 million Settlement Fund (i.e., up to
21 \$4,333,333.33) and expenses and verified costs in an amount not to exceed \$125,000.00.
22 Universal agrees not to oppose or to submit any evidence or argument challenging or undermining
23 such application for attorneys' fees, costs, or expenses.

24 20. Disapproval of Fee Award. Notwithstanding anything contained herein to the
25 contrary, in the event that the Court does not approve the award of attorneys' fees and expenses
26 requested by Class Counsel, or the Court awards attorneys' fees and expenses in an amount less
27 than that requested by Class Counsel, such decision shall not affect the validity and enforceability
28 of the Settlement and shall not be a basis for anyone to seek to terminate or void the Settlement or

1 for rendering the entire Settlement null, void, or unenforceable. Class Counsel retain their right to
2 appeal any decision by the Court regarding the Court's award of attorneys' fees and costs.

3 21. Payment of Attorneys' Fees. The amount awarded by the Court shall be payable by
4 the Settlement Administrator to Class Counsel by delivery of check(s) or other negotiable
5 instrument(s) or by wire transfer(s) within fourteen (14) days after the Effective Date.

6 22. Deduction of Fee Award from Settlement Fund. Any attorneys' fees and expenses
7 awarded by the Court will be deducted from the Settlement Fund. In no event shall the payment
8 of attorneys' fees, costs, and expenses awarded by the Court alter or increase Universal's
9 obligation under the Settlement, which in no event shall be more than the amount of the
10 Settlement Fund.

11 23. Enhancement Awards to Named Plaintiffs. Plaintiffs will apply to the Court for an
12 award of \$10,000.00 for each of the Named Plaintiffs, Colin Higgins Productions Ltd.; Indigo
13 Inc.; and Lynn Unger Children's Trust, for their services as class representatives, for a total of
14 \$30,000.00. The enhancement award is payable by the Settlement Administrator to Class Counsel
15 by delivery of check(s) or other negotiable instrument(s) or by wire transfer(s) within fourteen
16 (14) days after the Effective Date. Any enhancement awards ordered by the Court will be
17 deducted from the Settlement Fund.

18 **MISCELLANEOUS PROVISIONS**

19 24. Exhibits Incorporated by Reference. All of the exhibits attached hereto are hereby
20 incorporated by reference as though fully set forth herein.

21 25. Final and Complete Resolution. The Parties to this Stipulation intend the
22 Settlement to be a final and complete resolution of all disputes asserted or that could be or could
23 have been asserted by the Plaintiffs, the Settlement Class, and/or any of the Class Members
24 against the Released Parties with respect to the Released Claims and the Action. Universal agrees
25 not to assert that the Action was brought in bad faith or without a reasonable basis. The Parties
26 hereto shall assert no claims for costs or sanctions relating to the prosecution, defense, or
27 settlement of the Action.

28 26. Settlement Fairly Negotiated. The Parties agree that the amount paid and the other

1 terms of the Settlement were negotiated at arm's length in good faith by the Parties, and reflect a
2 settlement that was reached voluntarily by the Parties after consultation with their respective
3 experienced legal counsel.

4 27. No Oral Modifications. This Stipulation may not be modified or amended, nor may
5 any of its provisions be waived except by a writing signed by counsel for all Parties hereto or their
6 successors-in-interest.

7 28. Headings Have No Legal Effect. The headings herein are used for the purpose of
8 convenience only and are not meant to have legal effect.

9 29. Court Retains Jurisdiction. The administration and consummation of the
10 Settlement as embodied in this Stipulation shall be under the authority of the Court, and the Court
11 shall retain jurisdiction for the purpose of entering orders providing for award of attorneys' fees
12 and expenses to Class Counsel, and enforcing the terms of this Stipulation.

13 30. Warrant of Authority. All counsel and any other person executing this Stipulation
14 and any of the exhibits hereto, or any related settlement documents, warrant and represent that
15 they have the full authority to do so and that they have the authority to take appropriate action
16 required or permitted to be taken pursuant to the Stipulation to effectuate its terms.

17 31. Successors and Assigns. This Stipulation shall be binding upon, and inure to the
18 benefit of, the successors and assigns of the Parties hereto.

19 32. Choice of Law. The construction, interpretation, operation, effect and validity of
20 this Stipulation, and all documents necessary to effectuate it, shall be governed by the internal
21 laws of the State of California without regard to conflicts of laws, except to the extent that
22 preemption by federal law requires that federal law govern.

23 33. Stipulation Jointly Drafted. This Stipulation shall not be construed more strictly
24 against one party than another merely by virtue of the fact that it, or any part of it, may have been
25 prepared by counsel for one of the Parties, it being recognized by the Parties that this Stipulation is
26 the result of arm's length negotiations between the Parties and that all Parties have contributed
27 substantially and materially to the preparation of this Stipulation.

28 34. Effect of Waiver. The waiver by one party of any breach of this Stipulation by any

1 other party shall not be deemed a waiver of any other prior or subsequent breach of this
2 Stipulation. The waiver by one party of any breach of this Stipulation by any other party shall not
3 be deemed a waiver of any other prior or subsequent breach of this Stipulation.

4 35. Integration. This Stipulation and its exhibits and the Confidential Supplemental
5 Agreement constitute the entire agreement among the Parties hereto concerning the Settlement of
6 the Action, and no representations, warranties, or inducements have been made by any party
7 hereto other than those contained and memorialized in such documents.

8 36. Execution in Counterparts. This Stipulation may be executed in one or more
9 counterparts. All executed counterparts and each of them shall be deemed to be one and the same
10 instrument. A fax, electronic and/or scanned PDF signature or other copy of a signed counterpart
11 shall be deemed an original and shall have the same force and effect as a signed original.

12 37. No Representations About Tax Consequences. No opinion or advice concerning
13 the tax consequences of the proposed Settlement to individual Class Members is being given or
14 will be given by Class Counsel or Universal's Counsel; nor is any representation or warranty in
15 this regard made by virtue of this Stipulation. Each Class Member's tax obligations, and the
16 determination thereof, are the sole responsibility of the Class Member, and it is understood that the
17 tax consequences may vary depending on the particular circumstances of each individual Class
18 Member.

19 38. Intent of Parties. The Parties hereto: (a) acknowledge that it is their intent to
20 consummate this Stipulation; and (b) agree to cooperate to the extent necessary to effectuate and
21 implement all terms and conditions of this Stipulation and to exercise their best efforts and to act
22 in good faith to accomplish the foregoing terms and conditions of the Stipulation.

EXHIBIT 1

SUPERIOR COURT OF THE STATE OF CALIFORNIA

COUNTY OF LOS ANGELES, CENTRAL CIVIL WEST DIVISION

If You Are a Profit Participant on a Motion Picture Released by Universal City Studios for Home Video or Electronic Sell-Through, You May Financially Benefit from a Class Action Settlement

A California state court authorized this Notice. This is not a solicitation from a lawyer.

- A settlement has been reached in a class action lawsuit over how Universal City Studios LLC (“Universal”) calculated profit participation relating to revenue derived from the sale of Home Videos (e.g. physical copies such as videocassettes, DVDs, and Blu-Ray) and Electronic Sell-Through (e.g. digital copies delivered for permanent download such as iTunes or Amazon) on certain motion pictures.
- You may be a Class Member if you are a person or entity (or their successors-in-interest, assigns, and heirs) who is a party to a profit participation contract with Universal dated on or before December 31, 2014 that does not include an express provision regarding the calculation of participation relating to Home Video and Electronic Sell-Through Revenue.
- This Settlement provides Class Members with a: (1) \$13 million Settlement Fund, which will be used to pay recouped profit participants who are already receiving profit participation on their contracts; and, (2) \$13 million Accounting Relief Fund, which will be used to credit the accounts of unrecouped profit participants who are not yet receiving profit participations on their contracts. You may receive benefits from either or both of these funds if you qualify.
- You have to take action on or before November 12, 2015 in order to exercise your legal rights and options in the Settlement, which are set forth below and in this notice. Please read this Notice carefully. Your legal rights may be affected, whether you act or don’t act.

BASIC INFORMATION

1. Why did I get this Notice?

A Court authorized this Notice because you have a right to know about a proposed Settlement of this class action lawsuit, and about all of your options, before the Court decides whether to give final approval to this Settlement. This Notice explains the lawsuit, this Settlement, and your legal rights.

Judge Elihu M. Berle, of the Superior Court of the State of California, is overseeing this case. The case is known as *Higgins Productions v. Universal City Studios*, Case No. BC499180. The people who sued are called the “Plaintiffs.” The “Defendant” is Universal City Studios LLC.

2. What is this lawsuit about?

This lawsuit claims that Universal failed to properly account for and pay motion picture profit participants (e.g. producers, directors, and actors) in regard to Home Video Revenue and Electronic Sell-Through Revenue under profit participation contracts that do not include express provisions regarding the treatment of such revenues for calculation of profit participation.

Home Video Revenue is revenue derived from the sale of physical copies of motion pictures in tangible products such as Videocassettes, DVDs, and Blu-Ray discs. Electronic Sell-Through Revenue is revenue derived from the sale of digital copies of motion pictures that are delivered to the consumer via electronic transmission (e.g., through download purchases on iTunes or Amazon).

3. Why is this lawsuit a class action?

In a class action lawsuit, one or more people, called “Class Representatives,” (in this case, Colin Higgins Productions, LTD., Indigo, Inc., and Lynn Unger Children’s Trust) sue on behalf of people who have similar claims. All these people together are a “Class” or “Class Members.” In a settlement of a class action, one court resolves the issues for all Class Members, except for those who choose to exclude themselves from the Class (*see Question 14*).

4. Why is there a settlement?

The Court has not determined who is right. Rather, both sides have agreed to settle the lawsuit to avoid the uncertainties and expenses of continuing the lawsuit. By agreeing to settle, both sides avoid the cost and risk of a trial, and the people affected will get a chance to receive benefits. The Class Representatives and their attorneys think this Settlement is best for all Class Members. This Settlement does not mean that Universal did anything wrong.

WHO IS IN THE SETTLEMENT

If you received this Notice you may be a Class Member. You should review your contract(s) and any amendments to them so as to determine whether you are included in the Class and this Settlement.

5. What is the Class definition?

Class members are all persons and entities (and their successors-in-interest, assigns, and heirs) that are parties to a “Class Profit Participation Contract” (defined by the Settlement Agreement as a Profit Participation Contract, entered on or before December 31, 2014, that does not include express provisions regarding the calculation of the Profit Participant’s Profit Participation with regard to Home Video Revenue and/or Electronic Sell-Through Revenue).

When a person or entity is a party to both, (a) one or more Class Profit Participation Contracts; and (b) one or more profit participation contracts that do not meet the definition of a Class Profit Participation Contract, that person or entity is a member of the settlement class only with regard to the Class Profit Participation Contract(s).

Excluded from the Settlement Class are:

- * Universal and any person, trust, firm, corporation or other entity affiliated with or related to Universal;
- * Any persons or entities who exclude themselves by filing a timely Request for Exclusion in accordance with the requirements set forth by the Court.
- * Persons or entities who have entered into an agreement with Universal or its affiliates and their predecessors, subsequent to their Class Profit Participation Contract but regarding the same motion picture, that includes express provisions regarding the calculation of the Profit Participant’s Profit Participation with regard to Home Video Revenue and/or Electronic Sell-Through Revenue, including but not limited to a settlement agreement, an amendment to the relevant Class Profit Participation Contract, a side letter, or any other writing that sets forth such provisions, and was made prior to the date of the Preliminary Approval Order.
- * Other motion picture studios and their affiliates or predecessors in interest.

6. How do I know if I am part of this Settlement?

To see if you are part of this Settlement and your rights under the Settlement, ask yourself this series of questions:

Question	Yes	No
Do you have at least one Profit Participation Contract with Universal dated on or before December 31, 2014 or are you the heir, successor or assign of someone who does?	Continue	You are not a Class Member
Does that contract include a provision regarding your Profit Participation specifically with regard to Home Video and/or Electronic Sell-Through Revenue?	You are not a Class Member	Continue
Did you or your predecessors in interest modify the Profit Participation Contract to include a provision for Profit Participation specifically with regard to Home Video and/or Electronic Sell-Through Revenue?	You are not a Class Member	Continue
Did you or your predecessors already release Universal for claims relating to Home Video and/or Electronic Sell-Through Revenue Profit Participation under the contract?	You are not a Class Member	Continue
Were you receiving Profit Participation payments under the Profit Participation Contract from Universal as of December 31, 2014?	You may be a Recouped Class Member. Continue.	You may be an Unrecouped Class Member. Continue.

7. I’m still not sure if I am included.

If you are still not sure whether you are included, you can get help by contacting the Settlement Administrator using any of the methods listed in Question 24.

You are not required to pay anyone to assist you in obtaining information about the settlement.

THE SETTLEMENT BENEFITS—WHAT YOU GET IF YOU QUALIFY

8. What does this Settlement Provide?

This Settlement provides a total of \$13 million (“Settlement Fund”) to be available for compensation to the Recouped Class Members (as defined in Question 9 below) less administrative and notice expenses, compensation to Named Plaintiffs, and attorneys’ fees and costs.

This Settlement also provides a total of \$13 million (“Accounting Relief Fund”) for the benefit of Unrecouped Class Members (as defined in Question 9 below) for the application of an adjustment on the account of the motion pictures associated with a Class Profit Participation Contract to which an Unrecouped Class Member is a party.

9. How will payments and credits be calculated?

Payments and credits and benefits will be calculated from the Settlement Fund and Accounting Relief Fund for Recouped Class Members and Unrecouped Class Members as follows: (Note: It is possible for a profit participant to be considered both a Recouped Class Member and an Unrecouped Class Member in regard to different contracts. In such a situation, the Class Member would obtain a portion of the Settlement Relief Fund as well as their share of the Accounting Relief Fund, as appropriate). The Settlement Administrator will be responsible for the calculation and payment of the amounts due Recouped Class Members from the Settlement Fund based upon participation information received from Universal. Universal will be responsible for the calculation and the application of the accounting credits to be applied for the benefit of Unrecouped Class Members within its profit participation accounting database.

Recouped Class Members: Recouped Class Member means a Class Member who, as of December 31, 2014, is a Profit Participant on one or more motion pictures that have realized sufficient revenue to require payment of Profit Participation to that Class Member under the terms of that person or entity’s Class Profit Participation Contract. Recouped Class Members will receive payments from the Settlement Fund, divided into two categories:

Retrospective Relief (70% of the Settlement Fund Payout)

Each Recouped Class Member shall be entitled to the percentage of the Retrospective Relief Fund equal to the ratio of the total amount of Profit Participation paid or payable to the Recouped Class Member pursuant to one or more Class Profit Participation Contracts through the period ending December 31, 2014, compared to the total amount of Profit Participation paid or payable to all of the Recouped Class Members pursuant to Class Profit Participation Contracts for all periods through the period ending December 31, 2014.

Prospective Relief (30% of the Settlement Fund Payout)

Each Recouped Class Member shall also be entitled to the percentage of the Prospective Relief Fund equal to the ratio of the total amount of Profit Participation paid or payable to the Recouped Class Member pursuant to one or more Class Profit Participation Contracts for the period from January 1, 2011, through December 31, 2014, compared to the total amount of Profit Participation paid or payable to all of the Recouped Class members pursuant to Class Profit Participation Contracts for the same period, with such ratio serving as an estimate of the ratio of future Profit Participation payments.

Unrecouped Class Members: Unrecouped Class Member means a Class Member who, as of December 31, 2014, is a Profit Participant on one or more motion pictures that have not realized sufficient revenue to require payment of Profit Participation to that Class Member under the terms of that person or entity’s Class

Profit Participation Contract. In other words they were not yet earning profit participation from their Profit Participation Contract as of December 31, 2014.

Universal shall apply an adjustment on the account of each motion picture associated with a Class Profit Participation Contract to which an Unrecouped Class Member is a party for the benefit of the Unrecouped Class Members with Class Profit Participation Contracts relating to that motion picture. The accounting adjustment shall be that motion picture's share of the Accounting Relief Fund determined by the ratio of the total amount of Home Video Revenue and Electronic Sell-Through Revenue derived by Universal through December 31, 2014, for that motion picture compared to the total amount of Home Video Revenue and Electronic Sell-Through Revenue derived by Universal through December 31, 2014, for all of the motion pictures receiving an accounting adjustment.

10. How much will my payment be?

The exact amount each qualifying Class Member will receive cannot be calculated until (1) the Court approves the settlement; (2) amounts are deducted from the Settlement Fund for notice and administration costs, attorneys' fees and expenses, and any Class Representative Incentive Awards; and (3) the Settlement Administrator determines the number of persons who out of the Settlement. *See Question 9 for the general method of calculating claims payments.*

HOW YOU GET A PAYMENT OR CREDIT—PARTICIPATING IN THE SETTLEMENT

11. How can I get a payment or credit?

To be eligible to receive a payment or credit under the settlement, you must (1) be a Class Member; and (2) you must not have excluded yourself from the settlement.

If You Received This Notice in The Mail: If you received this notice in the mail it means that Universal's records have identified you as a potential Class Member. *You do not need to submit a claim form or take any other action if you received this notice in the mail and wish to participate in the Settlement.* Your eligibility will be confirmed and payments and credits described above will be provided to you automatically.

If You Did Not Receive This Notice in The Mail: If you did not receive this notice in the mail and you believe that you may be a Class Member, you can inquire into whether you are an eligible Class Member and apply to take part in the Settlement by visiting www._____settlement.com or calling 1-____-____-____ TOLL-FREE.

12. When will I get my payment or credit?

The payments and accounting credits will be sent to eligible Class Members after the Court grants "final approval" of the settlement and after any appeals are resolved.

The Court will hold a Fairness Hearing on December 11, 2015, at 10:00 a.m. (Pacific time) to decide whether to approve the settlement. **If you want to attend the hearing, keep in mind that the date and/or time may be changed after this Notice is sent, so you should check the settlement website (www._____settlement.com) before making travel plans.**

If the Court approves the settlement (*see Questions 21–23*), there may be appeals. It's always uncertain whether these appeals can be resolved, and resolving them can take time. Please be patient. You can check for updates and other important information by using any of the methods listed in Question 24.

13. What am I giving up to get benefits and stay in the settlement?

If this Settlement receives final approval from the Court, this Settlement will be legally binding on all Class Members, including Class Members who object, unless you exclude yourself from the settlement. This means

you will not be able to sue Universal for the claims being released in this Settlement. This Notice is only a summary. The specific claims that you are giving up against Universal are described in detail in the Settlement Agreement. You will be “releasing” Universal and all related entities (the “Released Parties”) as described in the Settlement Agreement. The Settlement Agreement is available at www._____settlement.com or by calling 1-____-____-_____.

If you, or someone acting on your behalf, are currently litigating claims against Universal or the other Released Parties, you will be barred from pursuing the claims released by this Settlement unless you validly “opt out” as described below. If you are currently litigating claims against Universal or the other Released Parties, speak to your lawyer in that matter immediately.

The Settlement Agreement describes the released claims with specific descriptions, so read it carefully. If you have any questions, you can talk to Class Counsel listed in Question **Error! Reference source not found.** or you can, of course, talk to your own lawyer if you have questions about what this means.

14. How do I get out of the settlement?

To exclude yourself, you must mail a letter that includes:

- Your full name, current address, telephone number, and signature;
- The name of the individual or entity requesting exclusion (if any different from your name);
- A statement that you are a Class Member and that you “request to be excluded from the class settlement in the Universal Home Video Settlement.”
- A statement as to whether you wish to be excluded from the class settlement for all or only some of the Class Profit Participation Contracts to which you are a party. If you wish to be excluded for only some of the Class Profit Participation Contracts to which you are a party, please indicate the specific motion pictures for which you are requesting exclusion.

You must personally sign your written “opt-out” request and mail it postmarked by November 12, 2015 to:

Universal Home Video Settlement
PO Box _____
San Rafael, CA 94901-_____

15. If I don't exclude myself, can I sue the Defendants for the same thing later?

No. Unless you exclude yourself from the settlement, you give up any right to sue the Defendants for the claims that are resolved by the Settlement. If you have a pending lawsuit, speak to your lawyer in that lawsuit immediately. **Remember, the exclusion deadline is November 12, 2015.**

16. If I exclude myself, can I get a payments or credits from the settlement?

No. If you exclude yourself from the settlement, you will not be able to get any payments or credits and you cannot object to the settlement. You will not be legally bound by anything that happens in the settlement.

18. How Are Class Counsel being paid? Are the Class Representatives being paid?

Class Counsel will ask the Court for an award of attorneys' fees and expenses in the settlement (the "Fee and Expense Award"), which will be paid from the Settlement Fund:

Attorneys' Fees and Expenses

- Class Counsel will ask the Court to approve payment from the Settlement Fund of attorneys' fees of up to one-third of the \$13 million Settlement Fund (*i.e.*, up to \$4,333,333.33), as well as for reimbursement for costs and expenses incurred in the prosecution of the lawsuits not to exceed \$125,000.00.

Incentive Awards to Class Representatives

- Class Counsel will ask the Court to approve a \$10,000.00 payment (called "Incentive Awards") to each of the Plaintiffs, Colin Higgins Productions Ltd.; Indigo Inc.; and Lynn Unger Children's Trust, totaling \$30,000.00. The Incentive Awards compensate Plaintiffs for their service as Class Representatives. Any Incentive Award ordered by the Court will be in addition to what that Class Representative is eligible to receive from his or its claim.

OBJECTING TO THE SETTLEMENT

19. How do I tell the Court that I don't like the settlement?

If you do not exclude yourself, you may object to the Settlement. To object, you must **mail** your objection to the Settlement Administrator. To be timely, your objection must be mailed to the Settlement Administrator so that it is **postmarked** by November 12, 2015 at the following addresses:

Gilardi & Co. LLC
[ADDRESS]

You must include the following information:

- Your full name, current address, telephone number, and signature.
- The settlement to which you are objecting:
 - “Universal Home Video Settlement.”
- Your objections and the specific reasons why you object.
- State whether you intend to appear at the Fairness Hearing, either in person or through counsel.
- If you are represented by separate counsel, the name, address, bar number, and telephone number of all attorneys who will represent you.
- A list of any other objections submitted you, or the your separate counsel, to any class action settlements submitted in any court in the United States, whether state, federal or otherwise, in the previous five years. If you or your separate counsel has not objected to any other class action settlement in any court in the United States in the previous five years, you or your counsel shall affirmatively so state in the written objection.

Please note that any objections must be submitted by an individual Class Member, his or her legally authorized representative, or his or her attorney—not as a member of a group, class, or subclass.

20. What’s the difference between objecting and excluding yourself?

Objecting is simply telling the Court that you don’t like something about the settlement. You can object to a settlement only if you stay in that settlement. Excluding yourself is telling the Court that you don’t want to be part of the settlement. If you exclude yourself, you have no basis to object, because the case no longer affects you. If you object, and the Court approves the settlement anyway, you will still be legally bound by the result.

THE COURT’S FAIRNESS HEARING

21. When and where will the Court decide whether to approve the settlement?

The Court will hold a “Fairness Hearing” (also known as a “Final Approval Hearing”) to decide whether to finally approve the proposed settlement. The Fairness Hearing will be on **December 11, 2015 at 10:00 a.m.** before Judge Elihu M. Berle in Department 323 of the Los Angeles Superior Court, Central Civil West Courthouse, located at 600 South Commonwealth Avenue, Los Angeles, California 90005. If you want to attend the Fairness Hearing, keep in mind that the date and/or time may be changed after this Notice is sent, so you should check the settlement website (www._____settlement.com) before making travel plans.

At the Fairness Hearing, the Court will consider whether the proposed settlement and all of its terms are adequate, fair, and reasonable. If there are objections, the Court will consider them. The Court may listen to people who have asked for permission to speak at the Hearing and have complied with the other requirements for objections explained in Question 19. The Court may also decide how much to award Class Counsel for fees and expenses, and whether and how much to award the Class Representatives for representing the Class (the Incentive Awards).

There is no set timeline for either the Court’s final approval decision, or for any appeals that may be brought from that decision, so it is impossible to know exactly when the settlement will become final.

The Court may change deadlines listed in this Notice without further notice to the Class. To keep up on any changes in the deadlines, please contact the Settlement Administrator or review the website.

22. Do I have to come to the Fairness Hearing?

No. Class Counsel will answer any questions asked by the Court.

If you send an objection, you don't have to come to Court to talk about it. So long as you mailed your written objection on time and complied with the other requirements for a proper objection, the Court will consider it. You may also pay another lawyer to attend, but it's not required.

23. May I speak at the Fairness Hearing?

Yes. If you submitted a proper written objection to the settlement, you or your lawyer may, at your own expense, come to the Fairness Hearing and speak. To do so, you must follow the procedures set out in Question 19. You must also file a Notice of Intention to Appear, which must be mailed to the Settlement Administrator so that it is **postmarked no later than November 12, 2015** and it must be **filed** with the Clerk of the Court by that same date. If you intend to have a lawyer appear on your behalf, your lawyer must enter a written notice of appearance of counsel with the Clerk of the Court no later than November 12, 2015. See Question 19 for the addresses of the Settlement Administrator . You cannot speak at the Fairness Hearing if you excluded yourself.
